ENDORSEMENT

The policy is hereby amended to provide that request may be made for continuation of the policy, without any additional benefits, as paid-up life insurance. If the amount of the paid-up insurance equals the amount of the Endowment Benefit on the first page Sun Life will also pay an amount in cash on the date the paid-up insurance takes effect. Sun Life's approval of any such request will be conditional upon Sun Life receiving evidence of insurability satisfactory to it. Request for the continuation of the policy under this option may be made in writing after premiums have been paid for two years and when there is a guaranteed value.
