

POLICY NO. 0000000

ADDITIONAL BENEFIT

5 YEAR RENEWABLE TERM

RENEWAL - This benefit renews, with a changed premium, every 5 years from April 1, 1982 but can only be kept in force until the date shown for this benefit on Page 1.

CONVERSION - This benefit may be replaced before the earlier of the life insured's 65th birthday and the end of the premium paying period for this policy by a new policy of Life or Endowment insurance offered by Sun Life. Any total disability benefit contained in this policy may be included in a new policy having premiums payable for life,

an additional benefit included in this policy with an amount specified as relating to the 5 Year Renewable Term benefit may be included in the new policy for an amount up to any excess of the specified amount over the amount of 5 Year Renewable Term benefit remaining after conversion, and

following conversion, the amount of an additional benefit specified as relating to a 5 Year Renewable Term Benefit cannot be more than the remaining amount of the 5 Year Renewable Term Benefit.

CONVERSION CONDITIONS - This policy must be delivered to Sun Life with a signed request for the new policy,

the amount of insurance under the new policy may not be more than the amount of this benefit, and

less than the full amount of the benefit may be replaced and the premium for the amount remaining will be at the rate for the amount of the balance remaining.

AUTOMATIC CONVERSION - This benefit will be replaced by a new policy if the premiums for this policy are being paid by a total disability benefit on the earlier of the life insured's 65th birthday and the end of the premium paying period of this policy.

the new policy will have premiums payable for life the life insured lives and will contain a total disability benefit.

APPROVED:

RT 87-52

Under the provision of Section 226
of the Insurance Code of 1978 (PD No. 1460)
